

## **POLICY ON THE GRANT OF UNIVERSITY AWARDS**

### **Rationale**

The University of Mindanao has established a policy for granting awards to deserving students, alumni and employees who brought distinction to themselves, to their communities thereby bringing honor and glory to the University. Offering an award fosters engagement and motivates an individual to strive for excellence.

### **Scope**

This policy applies to students, alumni, and employees who exemplify the actualization of the University's vision, mission, and goals, thereby enhancing UM's stature and reputation.

### **Guiding Principles**

#### **Recognizing Excellence**

- **The Presidential Award for Outstanding Graduate of the Year** is given to a graduating student with the highest grade weighted average (GWA) and who has met the academic qualification to graduate with honors.
- **University academic honors** is given to graduating students who have met the educational qualification to "Graduate with Honors".
- **The academic excellence award** is given to graduating students who have met the educational qualification to "Graduate with Honors" and who have changed programs during their stay in UM or transferee but have maintained excellent scholastic records required by the program.
- **The Achiever's Award** is given to any graduate who can land in the Top 10 of the PRC licensure or bar examination. It is also given to any student who has won first (1<sup>st</sup>) place or its equivalent in any academic or non-academic competition at the national or international level.

#### **Promote Good Leadership Practices**

- **The University leadership award** is given to a graduating student who has demonstrated exceptional leadership skills (OPM 4.04) thereby making an extraordinary contribution to the University's development in their capacity as student leader.

#### **Strengthen Alumni Engagement**

- **Institutional Award** is the highest honor given to an alumnus of the University who has achieved extraordinary distinction in their chosen field of endeavor. This award promotes a sense of belonging among alumni, reinforcing their connection to the institution, thereby allowing alumni to remain engaged with the University.
- **The Presidential Alumni Achievement Award** is given to an alumnus who attained at least a national recognition from a reputable organization/institution.

**Encourage a Positive Work Culture** – various awards are given to employees recognizing their valuable contribution to the attainment of VMG, encouraging employees to deliver exceptional results that increase productivity.

- **G.E. Torres Memorial Award** is the highest award given to retiring officials who have concretized the VMG of the University.
- **Golden Harvest Award** is given to an employee who has attained national recognition by a reputable organization/institution in his field of endeavor.
- **Outstanding Employee of the Year** is given to an employee with exceptional performance.
- **President Award of Merit** is given to an employee who contributed distinctively and tremendously to the growth and development of the University.
- **Emeritus Award** is given to an employee who has retired from a position of trust and responsibility but has been retained on the rolls.
- **The Vinta Award** is given to an employee who received a national or foreign grant for not less than a month and has manifested outstanding academic and leadership abilities that reflected positively on the University.
- **A Loyalty Award** is given to an employee who has rendered continuous service for 20 to 55 years.
- **The Innovation Award** is given to an employee who introduces groundbreaking ideas and processes.

### Compliance

To ensure compliance, an operational procedures manual (OPM 4.04) outlines the process for granting awards, which is managed by the University's Awards Committee.

### Implementation and Review

Implementing and reviewing this policy is the responsibility of the University's Awards Committee, which is composed of members of the University's academic and non-academic community. The Quality Management Representative monitors the implementation to ensure continuous improvement.
